Here is the statement from Chief Knorr and on [illegible], I have asked Jack Maller to look into the possibility of restoring Joe to the movement after a doctors or doctor's certification. If that is possible, I would like to know. If not, I would also like to know.

Anything else you need from me, please let me know.

Boy Scouts of America

John:

With deep regret I submit my resignation, as a member of The Boy Scouts of America. This I wish to take effect 1 April 1973.

Due to personal reasons, health and problems at home, I feel at the present time I can't carry on my assigned duties in scouting.

For the past 10 years, I have conducted myself in scouting to the best of my ability. Scouting to me was, is and will continue to be close to me.

Perhaps in the future, when these problems have been worked out to the satisfaction of both my doctor and myself, with your permission I might return to scouting.

It has been my sincere pleasure and a privilege to have had the opportunity to serve the Scouts of America and the Harford District.

I owe a debt of gratitude to each and every member of The Harford District, what I have learned from them will remain with me.

Keep up the good work.

Yours in Scouting,

Dear Sir:

Detective [redacted] interviewed [redacted] on 18 March 1973 at Police Headquarters in the presence of his parents. During the interview it was revealed that [redacted] was receiving money from Joe Lilley to support his habit; however, he was reluctant to elaborate on the matter. With the cooperation of [redacted], it was revealed that Joe Lilley had paid $70.00 at one time and lesser amounts of money several times per week to [redacted] for this money [redacted] permitted Joe Lilly to perform un-natural sex acts.

I was advised of this on March 18, 1973 by Det. [redacted].

March 19, 1973, I contacted Capt. Harold Carty, who is the executive officer in charge of the Aberdeen Auxiliary - CD Police of which Joe Lilley is a member. Capt. Carty, Det. [redacted] and I, arranged for a meeting at 7:30 PM, Monday night with [redacted] and his father at Police Headquarters. I wanted to hear the story from [redacted] in the presence of the above named Officers. This story was exactly the same as that which he had given to Det. [redacted] on Sunday 18th March.

About 9:00 PM, March 19, 1973, Joe Lilley came into the Police Station. I called him into Det. [redacted] office and in the presence of the before mentioned people, I stated to Joe that I had received a serious complaint relative to his behavior with several young boys. He admitted that this was true and that he had had this problem for a long time and that he was trying to solve his problem and had consulted Dr. Lou and a doctor in Baltimore, but had not seen the doctor in Baltimore for some months.
I immediately asked for his resignation from the Auxiliary Police to become effective at once and suggested that he remain away from young boys before he gets into trouble that would involve legal action and cause embarrassment to the community and him self. I also suggested to him that he re-consult the doctor in Baltimore.

Following the course of action taken by me for the safety and protection of my City, I consulted Mayor [redacted], who contacted Mr. John Marley, a scout executive, in Aberdeen who requested me to forward to you a complete report of this incident.

I trust that you understand that I do not wish to cause this man any trouble, but at the same time I do not wish to subject the youth of my City to the perverted behavior of people who mold the future of our children.

I hope that this report will enable you to decide the proper course of action.

Yours truly,

The writer observed the above named subject walking around town acting in a suspicious manner. The writer observed subject sitting in the laundromat, and asked subject what he was doing in the establishment and stated he was just hanging around. The writer advised him the owner of the property does not want any loitering on the premises, and brought the subject to the station to get information for J.D. warning book. Upon checking subject, OFC Conner, found five hand rolled cigarettes, suspected to be Marihuana. Det. [redacted] and subjects parents were notified. The subjects parents were notified of the procedure that would be taken and released subject to parents. The suspected Marihuana was turned over to Det. [redacted] for laboratory analysis and lab. report will follow when received by this department.
